board approval must happen prior to becoming a member, and an official Memorandum of Understanding must be signed and approved.

As a condition of joining and participating in the consortium, a member must be willing to commit to adhering AEBG General Assurances (2017-18) established by the AEBG program office. Membership in the consortium is voluntary. Members may voluntarily depart the consortium and members can be dismissed by the Governing Board (Executive Committee). Reasons for voluntary departure or dismissal are outlined in AB 104 AEBG Allowable Uses and may also be based on member effectiveness/adherence to consortium expectations as described in AEBG General Assurances 2017-18 (briefly outlined below):

1. A member no longer wishes to provide services consistent with standards established in AB 104, Section 39, Article 9, Section 84900.
2. The member cannot provide services that address the needs identified in the adult education plan.
3. A member may be dismissed from the consortium by a majority rule of the governing board if the member has been consistently ineffective in providing services that address the needs identified in the adult education plan, and reasonable interventions have not resulted in improvements, as measured by the Member Effectiveness section of the AEBG General Assurances.

Failure to meet the requirements listed in the AEBG General Assurances (2017-18) may result in a determination of non-compliance and lead to partial or complete loss of Consortium and / or Member funding.
